## UNDERGROUND CHURCH

The month of November, we are off-site to a barn on 48th St. between Cleveland and Roosevelt. We are getting the feel how it would be if we were being persecuted for our faith; It is 5 weeks long.

We have two weeks done..we started out in the activity center first with no lights, then no lights and power. Slowly things have been taken away from us. Now our love for Jesus is "Underground", like a lot of believers today in other countries.

We will play a game in the field, then do lesson time in the barn. Please, please, please make sure sturdy shoes or boots are on feet and clothing is for outdoor weather! Remember ....we will be in a BARN and a FIELD.
